Gower Street, LLC—a certified woman-owned small business—provides writing, copyediting, and writing instruction services for businesses and individuals. We work on all document types, including business plans, marketing copy, contract proposals, software and technical manuals, web content, academic articles, and more.

Carolyn Daughters, owner of Gower Street, has provided support services for such companies, government agencies, and organizations as Unisys Corporation, Northrop Grumman, CH2M HILL, the U.S. Department of Defense, LexisNexis, Prentice Hall, the University of Colorado, the University of Virginia, and the Colorado Secretary of State's Office, as well as for many small and medium-sized firms nationwide.
